Education

- 2012-current Ph.D studies in Computer Science; Faculty of electrical engineering and information technologies, University of “Kiril and Metodij”, Skopje, R.Macedonia
- 2010-2012 MSc studies in Computer Science; Faculty of electrical engineering and information technologies, University of “Kiril and Metodij”, Skopje, R.Macedonia
- 1988-1994 Bachelor Degree, in Computer Science; Faculty of electrical engineering and information technologies, University of “Kiril and Metodij”, Skopje, R.Macedonia

Training

- 2010 ECDL – certificated instructor
- 13.02.2010 Socialization and training seminar”
- 20.01.2010 Training Seminar and Workshop
 “Teaching Methodology and Bloom’s taxonomy”
- 01.12.2009 Seminar and workshop
 "Learning Team"

Working Experiences (academic, research, other)

11/2013 - present	Team coordinator at AssecoSEE, Skopje Macedonia
10/2009 - present	Teaching Assistant at University American College Skopje
01/2011-01/2013	Independent Computer Software Professional
08/2008- 01/2011	Analyst and Project Manager at ARS Media dooel, Skopje, Macedonia,

09/1995 - 08/2008	Project architect, Project Leader, Application developer and designer at Zelltech – information technologies, Skopje, Macedonia, repository of Zillion AG - Financial Information Technology – Switzerland
01/1995 - 09/1995	Computer software instructor at MakPetrol Computer Learning
1993-1994	Graphics computer manager at A1 television, Skopje, Macedonia
1990-1992	Junior assistant at the laboratory for practicing program languages at Faculty of electrical engineering, University of “Kiril and Metodij”, Skopje, R.Macedonia

Recent publications

- 08/2012 pp. 122-127, ISBN: 978-954-438-914-7. D.Davcev. N.Anastasova, Mobile Banking Services - Financial Brokerage Services, 6th Int. Sixth International Conference - Computer Science, Ohrid
- 2012 Master thesis
 Study and implementation of possibilities for applying the mobile financial services through designing the mobile stock exchange system, as a part of the mobile banking
 Prof. Dragan Mihajlov, Ph. D. in Computer Science

Language skills

Macedonian language as mother tongue; excellent knowledge of English and French, good knowledge of Serbian, basic knowledge of German.
